welcome all

Juror's Statements

Ken Katowik:

Thank all you participants! You certainly gave us judges a plethora of excellent photos to judge.

You gave us so many really good photos to choose from that we had a hard time limiting the winners and honorable mentions to the required amount.

I would like to say keep up the good work and take lots of photos.

Michael Ayers, MPA:

It was a privilege to be a part of judging such a beautiful show with a very broad scope of subjects. This gallery displays some dynamic, powerful, creative and unforgettable images usually seen in shows from large metropolitan areas. Always stay focused.
