July 21-25, 2008

Open to children ages 6-12

Ceramics

It's a jungle out there!
Students will learn hand building techniques using pinch pot, slab and coil processes to make jungle themed ceramics such as lions, huts and masks.

6-9 year olds, 9-10:30
10-12 year olds, 11-12:30

Painting

Students will learn the basic elements and principles of watercolor & acrylic painting. Still life, landscape and portrait painting will all be introduced.

6-9 year olds, 11-12:30
10-12 year olds, 9-10:30

Explore Art

Students will discover and learn a broad range of art techniques and processes. Theory and art history will set the stage as students are given different art projects to explore every day.

6-9 year olds, 11-12:30
10-12 year olds, 9-10:30

Drawing & Design

This course teaches students the basic techniques in drawing from direct observation as well as imagination. Students will develop technical skill while learning creative expression.

6-9 year olds, 12:45-2:15
10-12 year olds, 2:30-4pm

Origami

Learn the magic of origami when turning a flat piece of paper into a three dimensional object. Students will learn the process of sequencing, fractions and precision as they fold and twist paper into swans, frogs, geometric shapes and more. Students will be amazed at what takes shape as paper is transformed into sculpture.
