### HISTORY

In 1953 members of the Palette Club and the Mud Hens Ceramic Club established the Fine Arts Exhibit Committee. Two years later John Timmeman, James Strong, and Hazel McClain incorporated the recently formed Lima Art Association, whose purpose was, "to promote the Fine Arts". The LAA was created as an artists' guild consisting of art classes, exhibitions, and art festivals. The organization began holding very successful art exhibitions, the first being held on the grounds of the YWCA on Market Street with others following at the Allen County Museum Auditorium and Memorial Hall. By the early '90's, the association changed its name to ArtSpace/Lima and BP kindly donated the 60,000 sq. foot historic building located in the northwest quadrant of Lima's Town Square to the organization. Today, ArtSpace/Lima's mission is to promote the arts in Northwest Ohio, partnering with other organizations to continually develop arts awareness through education, programming, and cultural events.
